

Broadway United Church of Christ

ABOUT BROADWAY UCC:

Broadway United Church of Christ is one of New York City's historic churches, on the cutting edge of social justice and witness since 1840. We believe that a living faith in Jesus Christ demands an engagement with the world. In the past, this has meant things like a national leadership role in the pre-Civil War Abolition Movement. We are proud of our history, but we are also a forward-looking congregation. Today, we are engaged in the struggle for the full rights for all people, believing that variety is God's intention for creation. Specifically, this is expressed in our commitment to be an Open and Affirming Parish, welcoming lesbian, gay, bisexual and transgender persons into the full participation and ministry of Broadway Church.
